**Judith C. MacNutt** is a native of Jackson, Kentucky. She earned a Master's degree in psychology at Eastern Kentucky University.

Judith had a deep faith and prayed to God for an answer as to why the patients did not improve.

In 1977, Judith moved to Clearwater, Florida, and opened a private counseling practice which provided both prayer ministry and professional help to members of the Christian community. She saw many clients whose lives were dramatically transformed by prayer.

Judith first met Francis MacNutt briefly in Jerusalem in 1975 and they married in 1980. That same year they co-founded Christian Healing Ministries, Inc. (CHM) in Jacksonville, Florida.

Judith has dedicated her life to helping those bound by hurt, pain and trauma, that they may find freedom and wholeness through inner healing prayer. She is known and respected for her wisdom, love and compassion.

**The Rev. Nigel Mumford**, is an International Speaker Author and Founder of By His Wounds, Inc. Rev. Nigel is also Priest Associate for Healing, at Galilee Church in Virginia Beach, VA.

Nigel was born and educated in England. He served for six and a half years in "Her Majesty's Royal Marine Commandos.

Nigel has been involved in the Healing Ministry for over 28 years.

In 2007, Nigel created The WELCOME HOME INITIATIVE® services, a program of healing for veterans. This program invites men, & women of our Armed Forces (from all wars), who have served in combat, to come "free of charge" and be "welcomed home." *Our focus is on healing for post-traumatic stress and moral injury.*
